## Study Tips & Resources

- Set up a time management tool and schedule regular weekly study times.
- Apply the Study Cycle:
  - [Read](#) & prepare before class.
  - Sit at the front of the class.
  - Take notes & ask questions in class.
  - Review, edit, and reorganize your notes after class.
- Study in a distraction-free zone.
  - Use [Bloom's Taxonomy for Effective Learning](#).
  - Create study guides and practice questions.
  - Prepare for exams using a [Five-Day Study Plan](#).
- Meet with a [tutor](#) to increase your learning.
- Form a study group and [request a tutor-led study session](#).
- Meet with a [peer academic coach](#) to improve your study skills.
- Attend your [SI sessions](#).
- Complete a [Post-Exam Self Assessment](#) to help you prepare for future exams.
- Access more [study tips & resources](#).

Schedule appointments  
and learn more about  
our services and online  
resources at

[success.uark.edu](https://success.uark.edu).

## Writing Resources

- Meet with a [Writing Studio](#) consultant for feedback on your writing.
- Use [writing guides](#) for expert advice anytime on specific writing assignments.
- Hang out in the Studio and write with on-site support.
- Visit [University Libraries](#) for all your research needs.

## Wellness Resources

- Use [Pat Walker Health Center](#) & [UREC](#) to manage your physical health.
- Use [CAPS](#) to manage your mental health.
- Get involved in a campus [RSO](#) or volunteer with the [VAC](#).
- Visit the [Food Pantry](#) if you find yourself in need.
