

If you enter Maple East from the east entrance off of Lot 110 (formerly 40), you will take a left through the vestibule doors.

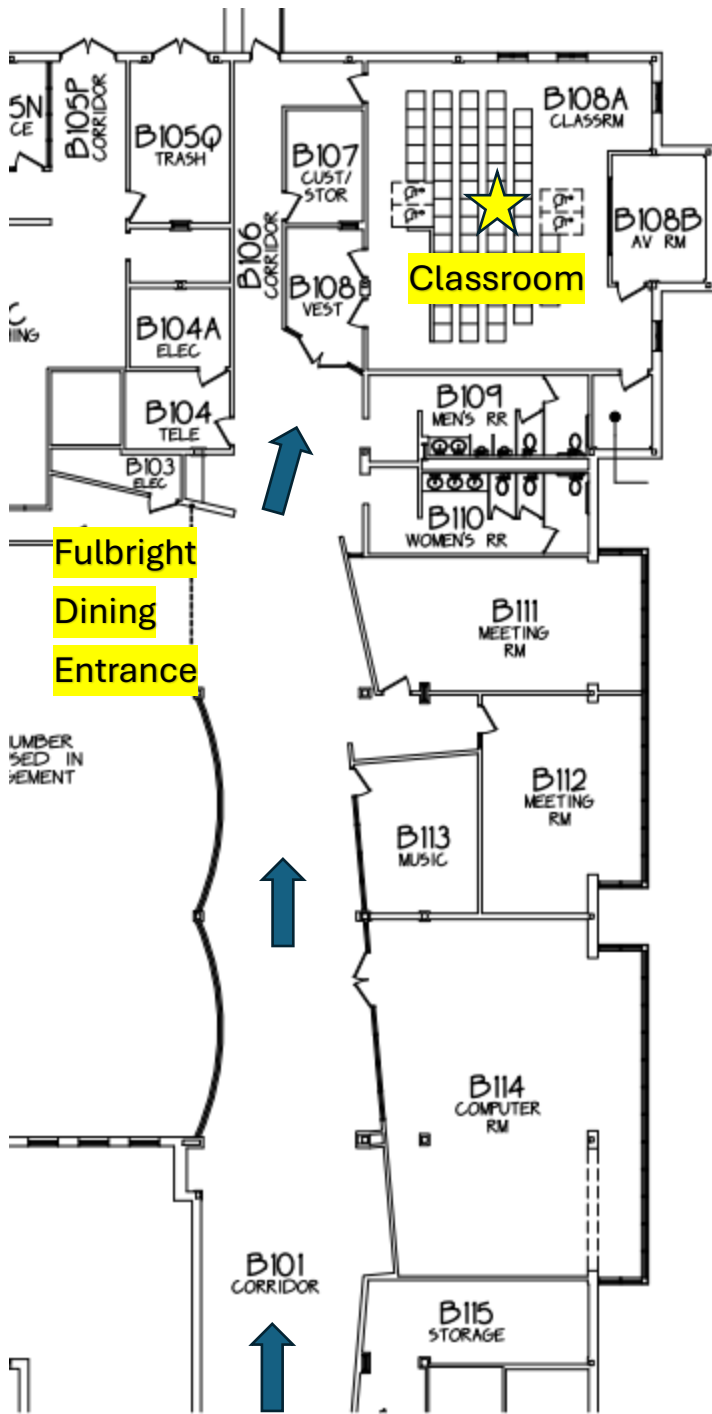

Walk down the hallway until the hallway opens up to the right and turn right down that hallway.

The classroom is the first classroom on the left and is across from the public bathrooms and vending area.

If you continue down the hallway, at the very end is the front desk.

When you enter Morgan hall the front desk is just to your left.

Continue down the hallway past the front desk until you reach the entrance of Fulbright Dining Hall.

The bathrooms are directly across from the dining hall entrance and the entrance to B108 classroom is just past the bathrooms.

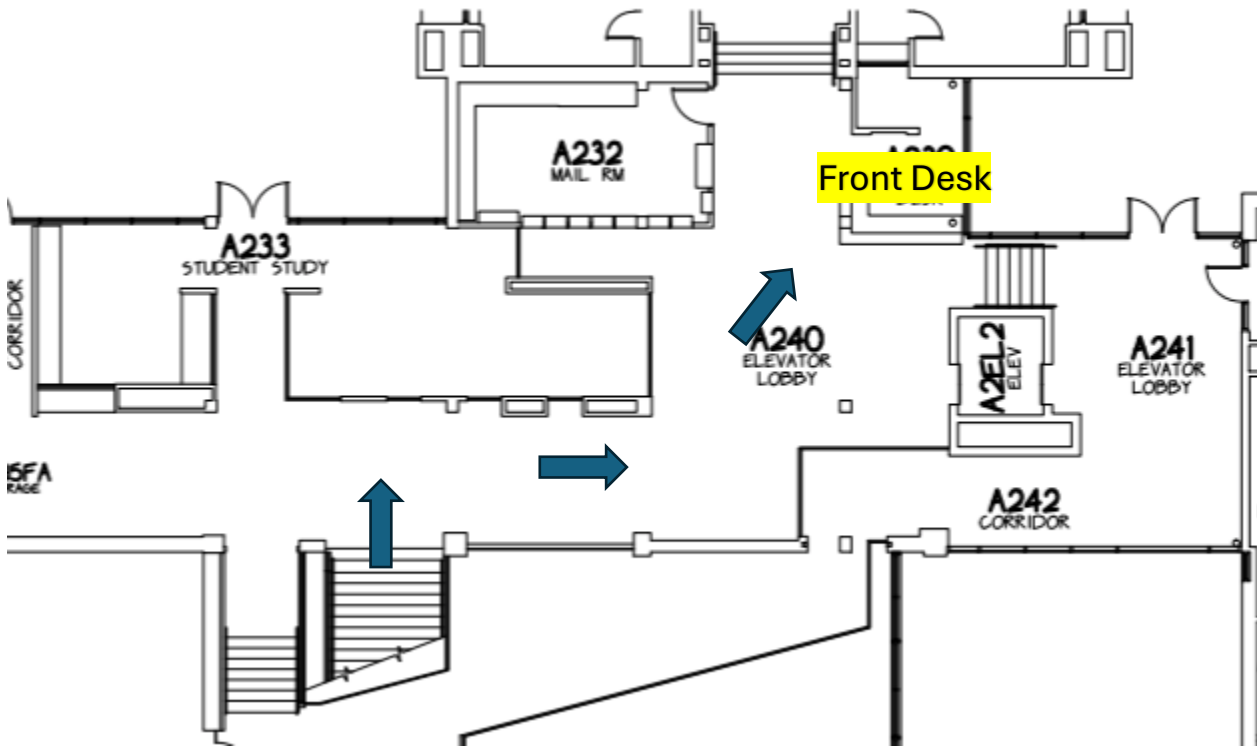

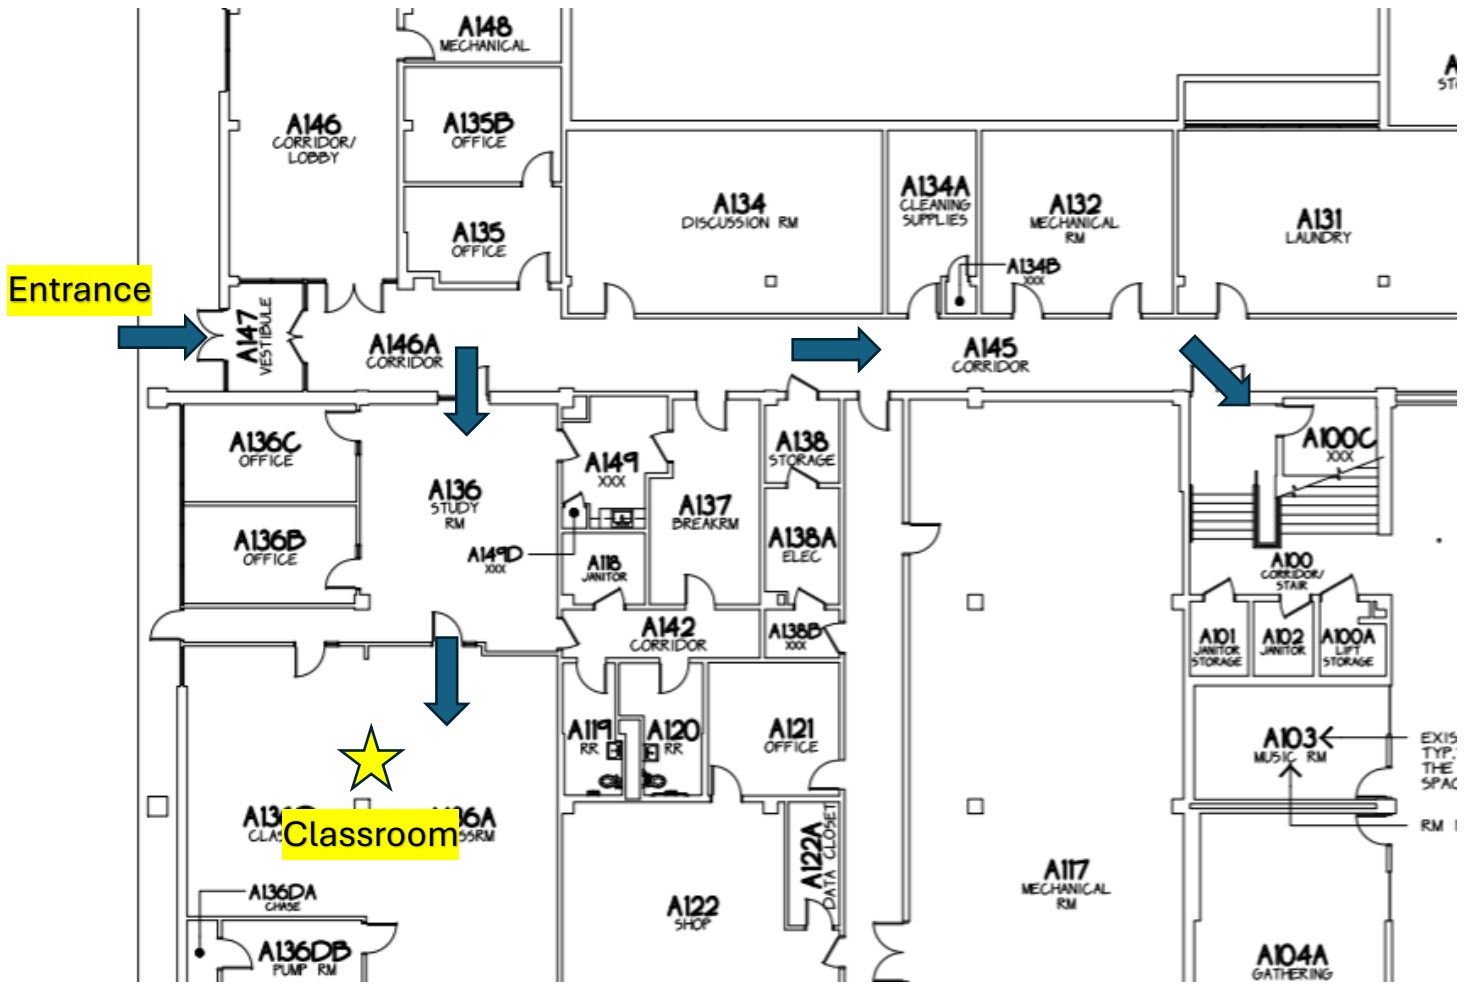

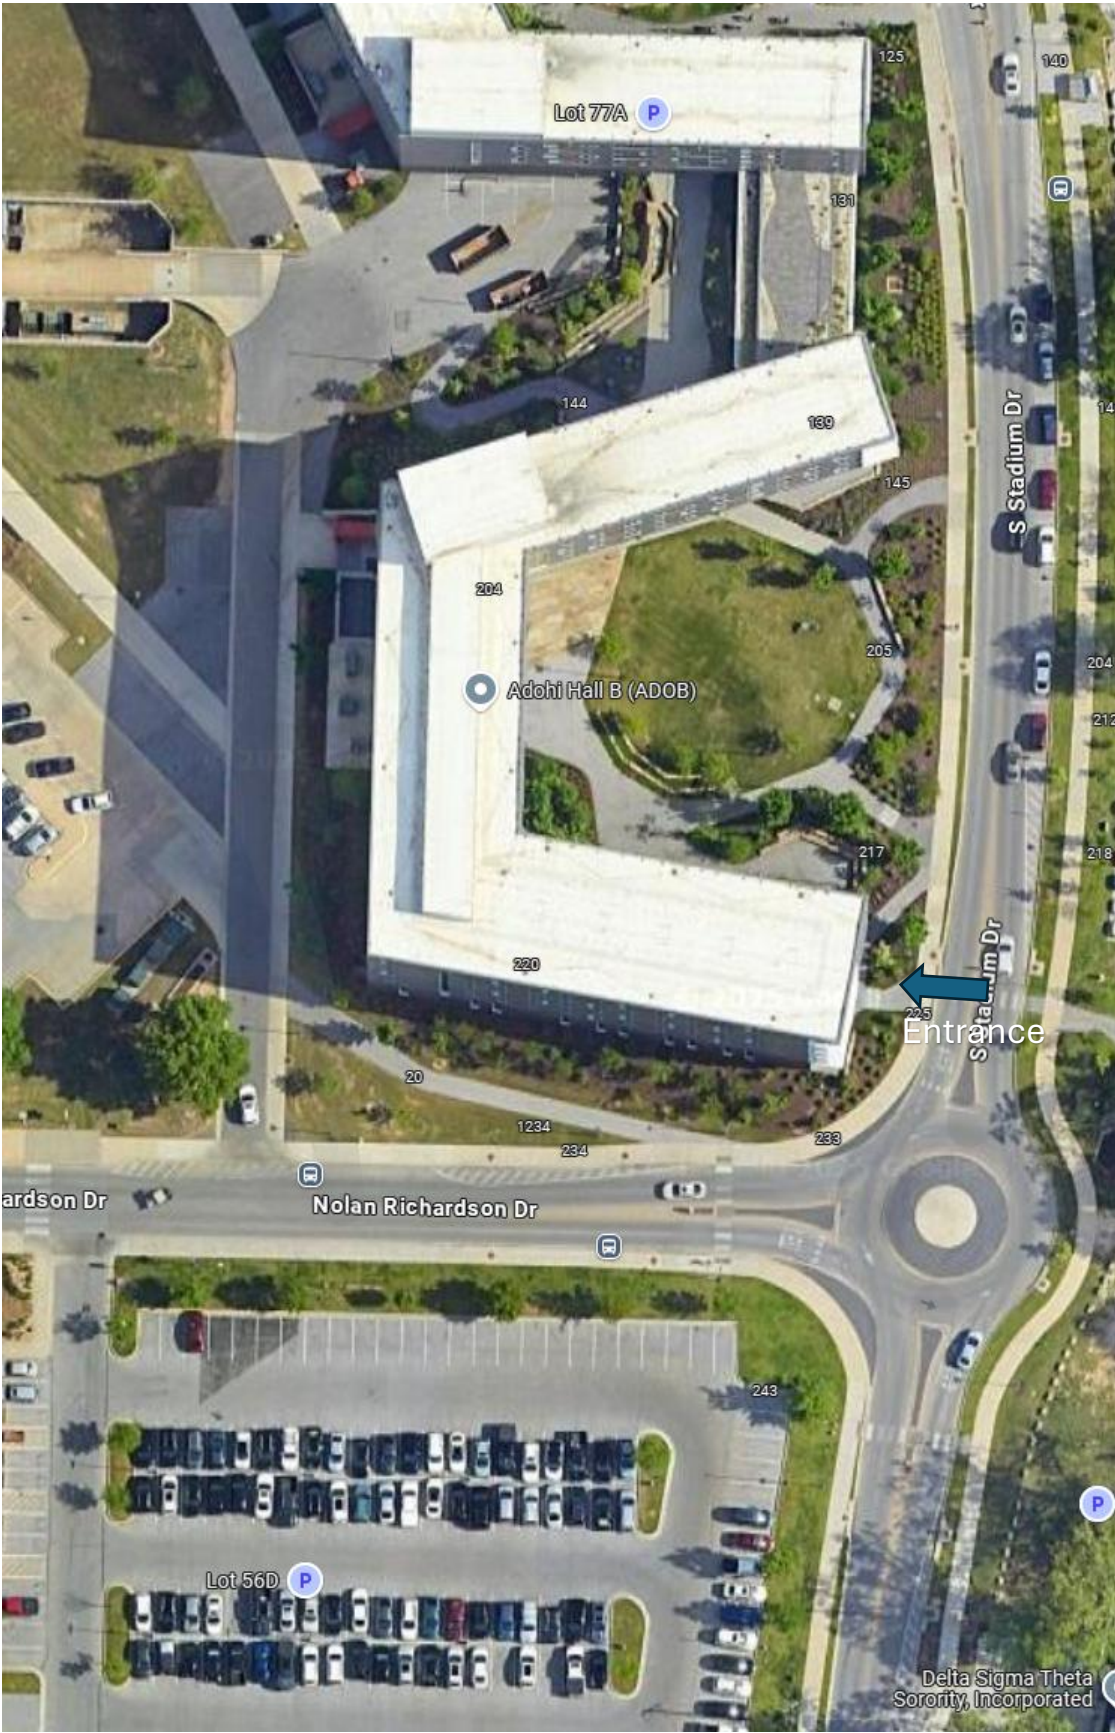

If you're entering Pomfret from Lot 308 (Formerly 55) you'll enter through the vestibule and there's a set of glass doors to the right.

There's a small lounge area inside and the classroom is straight past the lounge.

To get to the front desk, while you're still in the hallway from the entrance of the building, you'll head down the hallway until you come to a set of stairs on your right.

Take those stairs up two sets to the second floor and take a right. Walk past the study lounges (on your left) until you get to the front desk.

Delta Sigma Theta Sorority, Incorporated

For Adohi, you will need to enter at the southeast entrance of building B, near the Creative Community. The entrance is close to the roundabout at Nolan Richardson Dr. and Stadium Dr.

Follow the hallway on the right to the entrance of the Maker Space. This is where we will have supplies stored instead of the front desk.

There's a small hallway just past the Maker Space where you'll take a left, and then another left. The seminar room will be in that hallway behind the Maker Space.
